

GIRL GUARDS

Girl Guard Aim (pledge)

I understand that as a Girl Guard:

I will grow spiritually

by increasing my knowledge of God through Bible study and prayer.

I will grow mentally

by being honest in my thoughts and actions
and by developing the mind and talent God has given me.

I will grow physically

by protecting myself from all harmful substances and habits
and by developing a healthy body.

I will grow socially

by being respectful, friendly, of service to others
and loyal to my country
